

COMMUNITY BULLETIN

A year in review...

It has been another big year for Hume Coal and we've all had a wonderful time meeting many of our local stakeholders and working with local community members, as we progress towards delivering our Environmental Impact Statement in early 2017.

Lets take a look back at some of the milestone events of 2016.

February • Hume Coal's new website was launched

March • Social Reference Group meeting held on 15 March 2016
 • Hume Coal hosted the Southern Highlands Chamber of Commerce and Industry (SHCCI) 'Meet Your Chamber' meeting

May • Opened the Berrima Community Shop
 • Attended the 2016 Red Shield Appeal Business Breakfast & Launch in Berrima
 • Hume Coal attended and exhibited at the 2016 Southern Highlands Jobs & Careers Expo, hosted by the Southern Highlands Chamber of Commerce and Industry (SHCCI)

July • Attended the Southern Highlands Safety Network meeting at Joy Global, Moss Vale

August • Hume Coal's Employment Info Line was launched via (02) 4869 8282
 • Water Advisory Group meeting, held on 23 August 2016

September • Hume Coal attended the 2016 Kollege of Knowledge Kommittee for Kids' Ladies Luncheon held on 2 Sept 2016

October • Southern Highlands Local Business Awards held at Mittagong RSL
 • Southern Highlands Safety Network meeting at Wingecarribee Shire Council
 • Hosted the Hume Coal Agricultural Information Session, held on 31 Oct 2016

November • Social Reference Group meeting held on 15 Nov 2016
 • Hume Coal Employment Info Day and Project Update, held on 19 Nov 2016

Merry Christmas from the team at Hume Coal

Local Suppliers and Service Providers Info Session

On the 1 December 2016, Hume Coal held an information session for local suppliers and service providers. It was a well-attended evening and allowed many local businesses to meet some of the Hume Coal team, discuss the Project's benefits and most importantly how Hume Coal could benefit from such a strong base of existing local service providers.

Thanks to all those who attended on the night and we look forward to continuing to keep you updated on the progress of the Hume Coal Project. If you'd like to know more and register your interest, leave your details at <http://www.humecoal.com.au/contact-us/>
