

HUME COAL CORPORATE SCHOLARSHIPS

Hume Coal has recently awarded three scholarships to students from the Wingecarribee Shire, studying business and engineering at the University of Wollongong.

The scholarships were for eligible students studying business, engineering or environmental science who had originated from the Wingecarribee Shire.

We received such a great level of response to the scholarships. Three scholarships, to the value of \$7000 each, were awarded to three outstanding students.

Congratulations to the recipients and keep an eye on next year's application dates as we will continue our partnership with UOW into 2018.

RESPONSE TO SUBMISSIONS

Hume Coal is progressing the development application for an underground coal mine through the NSW Government's planning process.

We are currently working on our responses to the submissions received during the exhibition period and expect to deliver this document in the coming months.

Once complete, the document will be publically available. In the meantime, please don't hesitate to call, email or drop in to ask your questions, or simply learn more about the project.

SOUTHERN HIGHLANDS BUSINESS AWARDS

Once again, Hume Coal was proud to be part of the Southern Highlands business awards which celebrated the success of our local businesses and organisations.

The event was well attended, and congratulations to the Mittagong RSL and Precedent Productions for such a wonderful evening. Well done to all the nominees, finalists and the winners of each category.

Hume Coal is proud to be a member of this wonderful business community.
